Email: [source@sourceenergyco.com](mailto:source@sourceenergyco.com)

- ① This is the name and address of the account holder.
- ② This is your unique Source Energy Co account number specific to you and the supply address.
- ③ This is the amount due for this invoice including GST. For the status of your account and other invoices please click the "pay online now" button.

④ This is the Source Energy Co regulated tariff that you are on. For details please visit the bottom of this page: <http://sourceenergyco.com.au/set-up-a-new-connection/>

⑤ The Billing period is also the supply period or the start and finish date of the meter reads for this invoice.

⑥ The Average daily consumption is displayed in kWhrs (units) and average daily cost in \$. This is useful to compare your usage against previous bills. For far greater detail please access your online energy dashboard.

⑦ The total energy import shows you exactly how much energy you imported (consumed) in your apartment during the billing period and charge per unit or kWhr from Source Energy Co.

⑧ The supply charge is the fixed daily charge for the network to supply the electricity you use. It is independent of the amount of energy you use.

⑨ This link takes you to the online payment gateway enabling you to pay your invoice and view other account details.
